From CEO

As we look back on the year 2024, TEGAS has made tremendous progress toward our vision of empowering Sarawak's youth and driving economic transformation through skills development, digital innovation and entrepreneurship. Our journey this year has been marked by impactful initiatives, new collaborations, and the inspiring achievements of young Sarawakians whose drive and resilience continue to propel our community forward.

In 2024, TEGAS enhanced its commitment to promoting technical education, digital transformation and capacity-building. Our outreach and flagship programs have made a meaningful impact, equipping participants with essential skills and support to thrive in rapidly evolving industries. These initiatives not only foster individual growth but also strengthen economic resilience throughout Sarawak.

The remarkable achievements of 2024 would not have been possible without the visionary leadership and steadfast guidance of our Chairman, Datuk Haji Len Talif Salleh, as well as the strategic direction and unwavering support of our esteemed Board of Trustees. Their foresight and commitment have been pivotal in steering TEGAS toward its goals, ensuring that our initiatives align with the broader vision of empowering Sarawak's youth and driving economic transformation.

Equally instrumental to our success has been the unwavering dedication of our partners, stakeholders, and the exceptional TEGAS team. Your collective efforts, trust, and collaboration have been the cornerstone of our ability to expand our reach and amplify our impact. It is through this shared commitment that we have been able to equip young Sarawakians with the tools, skills, and opportunities needed to thrive in an increasingly digital and dynamic economy.

As we move into 2025, TEGAS remains committed to fostering a culture of innovation and inclusivity. We will continue to adapt our programs to address emerging challenges, leverage new technologies, and support Sarawakians in seizing opportunities in the digital economy. The road ahead is promising, and with your continued support, I am confident that TEGAS will remain a driving force for positive change in our community.

Thank you for being part of our journey.
